Running For Board Member

Dakota Berthold

My name is Dakota Berthold and I will be running for a board member position within PWSA. Many of you have never met me and I hope that changes soon. I have spent six years enlisted in the United States Marine Corps primarily doing air-ground radio and radar integration. This developed a deep technical passion for electronics, networks, and firearms of all things. When I first joined PWSA I saw respect and passion from members for firearms and firearm safety, this motivated me to do more, and be more. Shortly after joining I became a PWSA certified RSO, volunteering every chance I could and contributing my time as much as possible to improve PWSA. Keeping in that tradition I found myself wanting to give back even more. I believe with my "lets get it done" attitude, and your support, we can continue to improve PWSA for the next generation and beyond!
